

As of July 5, 2010, workplaces, bars and restaurants across the state of Wisconsin will be smoke free.

Isn't it time you quit? When you're ready, the Wisconsin Tobacco Quit Line will provide the help you need. Call today to put together a personal plan to quit with a trained Quit Coach. You may be able to receive free nicotine replacement therapy, like the patch or gum, which can increase chances of quitting and make smoking a thing of the past.

It's FREE. It's confidential. It works.
