**WISCONSIN GOES
SMOKE-FREE**
July 5TH 2010

Smoke-free areas include:

- Bars, restaurants, and private clubs, including military service groups (VFW, American Legion, etc.)
- Indoor worksites, including offices, facilities, and retail stores
- Hotel/motel rooms, bed and breakfasts, other lodging establishments, and common areas of apartment buildings
- Public transportation including taxis
- Work vehicles if more than one person is present
- Home offices with clients or employees other than the resident
- Public and private educational facilities, auditoriums, and arenas
- Meeting rooms open to the public, including Alcoholics Anonymous, Narcotics Anonymous, etc.
- Day care premises, health care facilities, and clinics
- Sports arenas of all kinds, including bowling centers, skating rinks, swimming pools, etc. (also includes large arenas such as Miller Park, Lambeau Field, etc.)

State law does not regulate smoking in the following places:

- Patio areas of businesses, including restaurants and bars (unless the patio is designated as a "No Smoking" area by the business owner)
